SIGN IN SOLUTIONS

**WELCOME
to InVentry**

Manage your visitors, staff and student sign In & registration with InVentry;
the site access and safeguarding management solution.

System Features

20" Touch Screen Monitor.

Integrated webcam, customisable front screen and widgets.

Visitor Pass System

Multiple badge options for visitors including thermal and colour passes.

Full Installation Service

InVentry certified technicians will install the system, and configure the InVentry software to suit your requirements. Staff members will also be provided with a complete training session.

DBS & Safeguarding Module

Serves as your single central record of DBS checks for staff and visitors.

Multi Academy Trust Functionality

Allows 'Trust' employees to travel across multiple sites using the same ID. Trust wide reporting allows the generation of personnel reports across multiple trusted sites.

Multiple Entry Points - Quickscan

For sites with more than one staff entrance point. These systems will synchronise with your central database.

Swipe Options

Fully customisable ID badges for staff. Swipe technology available includes Paxton, MiFare, HID, UPC barcode and QR code.

Events Management

Ability to pre-book visitors into school events, such as parents' evening or meetings. Customisable email invitations can be created in the invitation builder.

Email Staff Notification

Notifies staff that their visitor has arrived by e-mail and/or SMS text message.

Languages

Automated translation to any world language and custom questions are automatically translated without user interaction.

Facial Recognition

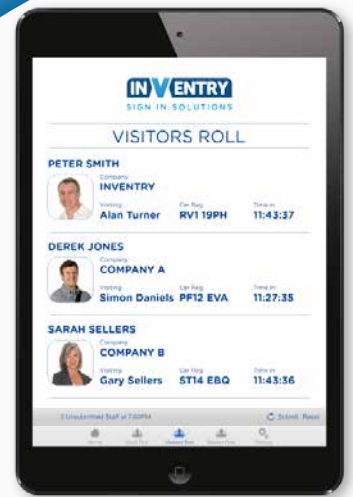

The facial recognition feature recognises visitors that have previously been on site to speed up the sign in process.

Very efficient and professional service. We're thrilled.
